

22nd March 2017

Dear Parents,

Easter Egg Competition

For Home Learning this week, using the template provided, please encourage your child to design their own Easter egg. You can use a variety of materials, eg, paint, felt tips, coloured pencils or collage. Please be as adventurous as you like!

When they have created their egg we would like them to come up with an Easter related word or phrase (eg. eggsactly, a crackin' egg).

There will be a special prize for each class!

Please return by Tuesday, 28th March.

Many thanks for your continued support.

The Year 1 Team

Design Your Own Easter Egg
