Extended School Childcare – September 2021

Dear Parents

As you are aware the decision was made to close our breakfast and afterschool club because of the restrictions around the coronavirus pandemic.

We have explored alternative ways to deliver our extended school childcare and during the last term we have met with a number of alternative external providers to outsource the provision and to find the best company to run the service.

We are pleased to share with you that Sports Coaching Group have been chosen as our provider from September 2021. SCG successfully run a number of clubs particularly in the Cheshire area and are expanding their offer into Merseyside.

Breakfast and afterschool childcare will be available at both the Infant and Junior School. Breakfast club will open from 7.30am until the start of school time. Afterschool club will run from when school finishes until 5.45pm. Please find attached flyer which contains all the details on how to book a space for your child. If you have children at both school's then you will need to book individually for each child at each school. Siblings will have to attend the club within their own school site. All bookings for breakfast and afterschool club are to be made direct to SCG at <https://www.sportscoachinggroup.co.uk/childcare>. The booking system will open from Monday 21st June.

The extended school childcare is designed to be as flexible as possible with working parents in mind. Parents can pay using childcare vouchers and all the details are available on their website.

If you require any extra information after visiting the above website, or you have any questions please don't hesitate to contact us.

Yours sincerely
