

The Federation of St Mary's Catholic Schools

"As the Family of Jesus, we learn and love together"

8th February 2018

Dear Parents,

As part of National Science Week; we would like to take the children in Y5 & Y6 on a school trip to Catalyst Museum in Widnes.

The trip will take place on **Friday 16th March**. The children should be in school by the usual school time as the coach will leave promptly at 9.05am. It is expected that we will be back in school before the end of the school day.

This is a full day trip and children will require a packed lunch in a plastic carrier bag which can be thrown away. Children who are eligible for Free School meals may order a packed lunch from school. School uniform is to be worn on this trip. Please ensure the children wear suitable outdoor coats/anorak.

It is necessary to ask you for a voluntary contribution to cover the cost of the coach and the 3 different workshops if the trip is to take place. We have to explain that should you decide not to contribute, the law states that your child should be entitled to take part. However, because there is no substantial alternative funding, a voluntary contribution of **£8.00** will ensure that the trip occurs.

Please complete the attached permission slip together with your contribution in a clearly marked envelope and return to school by Friday 2nd March 2018.

Yours sincerely

Y5 & Y6 Teachers
