

Lesson Structure

The **sequence of lessons** across **Music** follows the same structure:

Each lesson, within the sequence, follows the structure so prior knowledge is constantly revisited and transferred to long term memory.

Music sequence structure	
Phase 1 – Revise	<ul style="list-style-type: none"> • Prior art learning revisited – spaced retrieval task • Key question introduced • Musical journey introduced
Phase 2 – New learning	<ul style="list-style-type: none"> • Medium term planning to inform lessons • Knowledge-rich lessons • Vocabulary explicitly taught St Mary’s Quality First Teaching
Phase 3 – Review	<ul style="list-style-type: none"> • Evaluate • Pupil voice • Children know more and remember more

Each lesson, within the sequence, follows the structure so prior knowledge is constantly revisited and transferred to long term memory.

Music lesson structure	
Phase 1 - Revise	<ul style="list-style-type: none"> • Spaced retrieval lesson starter – key knowledge revision • Reference to key question • Vocabulary (some will be tier 3 – subject specific words) • Musical journey
Phase 2 – New learning	<ul style="list-style-type: none"> • St Mary’s Quality First Teaching • New knowledge taught • New skills taught
Phase 3 – Review	<ul style="list-style-type: none"> • Revise and review – knowledge, skills and vocabulary • Formative assessment directly linked to progress towards final outcome • Recorded performances
