Welcome to the All Saints Multi Academy Trust family

We celebrated joining the All Saints Multi Academy Trust on Monday. We welcomed Heather Duggan, CEO and Annemarie Robb, Chief Finance and Operations Officer to both schools, along with Vanessa Wells, now chair of the local academy council. Thanks to our kitchen staff who prepared party boxes for all children across the academies.

World Book Day

World Book Day was celebrated in style at both academies. The Potato Book Character entries have been phenomenal. Thank you to all children who entered the competition and all adults who supported at home. From the entries, it looks like you've had lots of fun!

The children looked fabulous on Thursday—so inventive and full of fun. The day began with the children taking part in a Guess the Character Quiz and during assembly they squealed with excitement as they watched each other parading around the hall in their costumes spotting their favourite book characters.

During the afternoon, the children took part in World Book day activities, the favourite being a scavenger book hunt around the school grounds.

Y2G's Assembly

This morning Y2G delivered a lovely Collective Worship about special meals and showing love and respect. The children sang beautifully, read clearly and confidently and acted wonderfully. They spoke about their favourite special meals and retold John's Gospel about Jesus washing his Disciples Feet. They spread the message that we need to show love and respect for others.

Year 2's Ukulele Performance

Today, our extended St Mary's family were treated to a musical performance by our Year 2 children and their ukulele teacher Mrs Ashton-Hunt. They showed off a variety of skills that they had learnt and even taught their special grown ups how to strum and pluck! As well as playing the ukulele, the children sang tunefully to a variety of songs they had learnt. Really proud of what they have achieved since their first lesson in September!
